(b) In not more than **200** words, write a **synopsis** of the play to accompany the notice. (12 marks)

2 Read the passage below and fill in each blank space with an appropriate word.

As you think about the different aspects that go 1 your persona, it is important to 2 your best traits and recognise the 3 you may have been taking for granted all 4. Doing this will provide a foundation of confidence that serves as a 5 to connect you to other people.

6 your appearance is what makes people curious to get to know you, your presence is what makes them respond to you. Your presence is your energy, your spirit and your aura. It includes 7 those qualities that help you bond with another human being. It starts with eye contact and moves into your listening skills as well as the extent to which you are engaged in a conversation. Some people are 8 there, giving 100 percent; others give 20 percent at 9 because their minds are elsewhere.

Eye contact is an 10 powerful tool. So long as you are making eye contact while talking, the topic is not likely to matter much.
